Item 2 Report on New Staffing Arrangements for the National Indications Center  
Sponsor - General Cushman

General Cushman requested this item in order to report to the USIB on the developments over the past three months regarding NIC staffing problems. Mr. Tweedy, on behalf of General Cushman, has been discussing these problems with General Bennett and [ ] DIA has examined various options but favors the substitution of DIA for the Air Force as the NIC Executive Agent as recommended by Mr. Tweedy. DIA is now prepared to look into the staffing problems and to look into such questions as to whether the JCS would need to give their authority for such a transfer of responsibility.

Item 3 NIE on the Outlook for Thailand  
BNE draft coordinated by USIB Representatives for USIB approval;

- Item 4 Revised Program of National Intelligence Estimates for the Period 1 April - 30 September  
BNE draft coordinated with USIB Representatives for USIB approval; Sponsor - Mr. Huizenga

Agreement has now been reached on the revised scheduling of the Soviet military estimates series which caused delay in the submission of this quarterly estimates program. Mr. Huizenga advises that so far as he knows, no agency plans to bring this up for further discussion.

25X1 Admiral Gayler has expressed interest in a five-year estimate on Southeast Asia [redacted] His representative accepted the BNE view that this would not be a very useful project and that the country papers on the region which BNE has done and plans to do would serve the need better. Mr. Huizenga notes however, that this offers no guarantee that Admiral Gayler will not speak to the subject anyway. You will recall that in February the Admiral stressed the importance of discussing at Board meetings the order and priority of the proposed estimates program.

Executive Session

- Item 5 The Intelligence Forum

As you requested at the 29 April meeting, Capt. John Thro, USN, of State (INR) has been invited to brief the USIB Principals regarding the Intelligence Forum. Mr. Bronson Tweedy has been notified that this item is on the agenda and plans to sit in as he did before on the Board's discussion of this subject in executive session.
